Mobil Super™

Choose precisely the protection your engine needs.

Warranty-approved Mobil Super Motor Oils for long engine life.

These unique premium-quality lubricants are engineered to help reduce engine wear, prevent sludge and protect your engine at high temperatures. With the Mobil Super™ family of motor oils you can select precisely the level of protection to suit your engine and your driving conditions.

Mobil Super™ 1000 motor oils combine quality base stocks with performance additives to help protect your engine across a wide range of operating conditions. These premium motor oils:

- Help to keep engines clean and protect against sludge and wear
- Meet or exceed the latest industry specification ILSAC GF-5/API SN (Resource Conserving)
- Are available in three multi-viscosity grades: SAE 5W-20, 5W-30 and 10W-30.

Mobil Super™ 2000. These High Mileage motor oils are formulated with a combination of synthetic and high quality base oils and friction-reducing additives designed to help extend the life of older engines with more than 120,000 km. Mobil Super 2000 lubricants:

- Help deliver long engine life and outstanding engine protection
- Are formulated with seal conditioner to help prevent leaks and reduce oil consumption
- Guard against sludge, engine rust and corrosion under severe and low-temperature operating conditions
- Meet or exceed the latest industry specification ILSAC GF-5/API SN (Resource Conserving).
- Are available in three multi-viscosity grades: SAE 5W-20, 5W-30 and 10W-30.

Mobil Super™ 3000. These synthetic motor oils help provide long engine life and outstanding protection in vehicles of all ages, even under a wide range of conditions and operating temperatures. Mobil Super 3000 lubricants:

- Deliver outstanding wear protection while guarding against oxidative oil thickening and lubricant breakdown
- Promote easy cold-weather start-ups and rapid oil circulation to help protect critical engine parts
- Provide optimum viscosity and fluidity across a broad range of temperatures
- Meet or exceed the latest industry specification ILSAC GF-5/API SN (Resource Conserving)
- Are available in two multi-viscosity grades: SAE 0W-20 and 5W-30.
